## FOR OUR MEMBERS ONLY

**We supply a \$150,000 FMC Bond and \$50,000 US Customs bond for AMS**

**Manage your registration on the FMC Tariff System**

**File your FMC-18 Application and FMC-1 Application**

**File your AMS/ISF Application**

**We give you direct access to the AMS/ISF Technology platform**

### United States Ocean Regulations

Forwarders shipping by ocean in USA territories are required to be registered with the Federal Maritime Commission (FMC).

**All freight manifests must be transmitted to U.S. Customs 24 hours prior to loading.**

### Benefits of FMC/AMS Registration

- Issue your own ocean bill of lading directly to U.S.
- Keep more of your freight revenue
- Benefit from discounted freight rates
- Get paid to file manifests via AMS (Advanced Manifest System)
- Avoid financial penalties
